We have kept the costs low - for a four day event - just slightly double the cost of most sorority two day events, in one of our most beautiful and historic hotels in one the world's most beautiful cities!

The registration fee is \$395 in Canadian funds **HOWEVER** we are offering this early-bird reservation form to help your budget, enabling you to pay in increments if you wish, and be paid in full one year out - helping you save for the other costs involved!
